

**SCMP401 Scientific Computing Seminar
Sponsor Agreement Form
Spring 2019**

This document is used to document a faculty sponsor's willingness to serve as the sponsor on a project for the SCMP Scientific Computer Seminar.

Date: _____

Student Name: _____ Student Signature: _____

Project Title: _____ Course Instructor: _____

Dear Project Sponsor, the student above would like you to serve as a project sponsor on the project listed above. The student is to negotiate with you a project proposal, and if you agree to sponsor this project, please check the boxes below and sign. The sponsor agrees to meet throughout the semester with the student (typically an hour every other week), and to guide the students work. If possible, it would be valuable if the sponsor could attend at least some of the following activities which will be on a Thursday evening between 7 and 10:

1. Student presentations (three over the term)
2. Student poster sessions (two over the term)

The specific dates of these activities will be given in an email.

Please check the boxes below, and sign if you agree.

- As sponsor I have read and agree with the project proposals.
- As sponsor I agree to work with the above student on this project.
